

The Elk's lodge is located in Sonora. Heading out of Sonora on Washington toward Columbia you will turn left on Shaws Flat road. Follow the road up past Sonora High for approximately 1 mile. On your right you will see a large sign indicating the Elk's club. That is Elk Drive and you will turn right at that corner. Follow this road up to the parking lot which will be on your right. Hope to see you there and look forward to companionship, a good meal, and an interesting speaker.
